

# ANZAC TERRACE PRIMARY SCHOOL

**Schedule of Voluntary Contributions and Charges for 2016 as determined by the School Council on 22 October 2015 and the Finance Committee on 29 October 2015.**

## 1. SCHOOL VOLUNTARY CONTRIBUTION (*Payable to the School*)

This year the School Council agreed with the decision that the contributions parents make to the school would be **\$50.00 per child**. (This is still under the recommended maximum of \$60.00)

Money received is allocated within the general school budget to areas as follows; -

- Student resources and requirements – recurrent expenditure
- School priority areas as determined in the school improvement plan
- Special projects

*The allocation of these funds is endorsed by the School Council each year.*

## 2. ITEMS FOR PERSONAL USE (Requirements Lists) – 2016

Each student will need to have the items on the list in their possession each school day in order to maximize participation in the learning opportunities provided. Requests by teachers for additional items may be asked for throughout the year

The P&C has negotiated competitive prices for the materials on the list from Ziggies Education Supplies, but you are not obliged to use this supplier. However, the workbooks are difficult to obtain elsewhere and Ziggies has ordered plenty of stock.

## 3. CHARGES

During the year, students are asked to pay charges to be involved in particular activities and these vary with classes and year levels.

Charges for 2015 included items such as – In-term Swimming; Excursions; Incursions; Interschool Sport; Winter & Summer Sports Carnivals; Year 6 Graduation activities and Year 6 Leadership Activities.

Based on this information and anticipated increases in costs an amount per year level has been indicated for 2016 in the table overleaf. Students will only incur costs when they are involved in a particular activity and **the amount stipulated represents the maximum charge that can be asked for in 2016.**

As in the past, you will be asked to make payment for each activity as it approaches. Students who do not pay WILL NOT attend. Charges must be paid for before attending the event.

***Exceptional circumstances need to be discussed with the Principal***

## 4. OTHER

### (a) P&C Voluntary Contribution

The P&C Voluntary Contribution has been set at \$40.00 per family per year.

In 2015 the P&C provided the school with \$18500.00 for reverse cycle air-conditioning around the school

### (b) Other Optional Charges

Charges may also apply for PEAC, School Music programs and for some Class Activities.

### (c) General

Purchase of School Uniforms; Faction & Leavers T-Shirts and School Photos are not included as part of the Contributions and Charges as they are a service and therefore not eligible to be considered as a charge. They are however, your responsibility to purchase as, or if required.

## 5. SUMMARY

Using the information in the table over, you can calculate your contributions and charges for 2016. For example, for a Year 3 student, you would pay a school voluntary contribution of \$50.00, a P&C family contribution of \$40.00 (one per family) and personal items of \$73.85. During the year you can expect charges of up to \$130.00 for activities that supplement the classroom program. Anticipated maximum = \$293.85.

**NOTE: Due to the changes in the way funding from the Department of Education is received, you are urged to ensure all costs requested are strongly taken into consideration to enable all facets of the learning program to have maximum benefit for your children. Thank you.**
