A "Stop, drop and write" Story by Arwen Langfield

The sound of happiness and optimism filled the air as Number 28 strode into the city. Blaring horns and screams of innocent people filled the air as well. Though Number 28 did not notice, he was causing destruction every step he took. For Number 28 was a mere child, and he did not know he was taking lives. He was playing with the buildings as if they were... Lego. Smashing them together, bit by bit. As I said before, he was a child. "AHHH! Mummy! I- "STOMP. There goes a child. A person, and another and another. Sooo many people gone. Why, he ought to be more careful.

MY NAME? You want to know my name? Well my name is... well, I don't quite remember... Hee hee hee! Do you get it? I don't quite get it myself, but it's funny, RIGHT? Hee hee! My age?? I'm...well... 27? Maybe 28? Yes, I'm 28. The number on my shirt is 28. I HAVE to be 28! I have been in this padded white room for...let's just stay my whole life! Isn't that funny! Hee hee hee!

Well, let us get back to MY story! Tiddly wink!

Number 28 had been invented by Sir Harrison of the South Kingdom to DESTROY the West Kingdom... I guess it ended up destroying our city! He hee hee! I, Number 28... that's my name! declare I tell you what is going on in my head movie!

Hey, all. This is now Arwen. So, in case you didn't notice, this person is out of their mind. A "Head Movie" is basically a dream. Okay, back to the story...

Number 28 was sent to the West Kingdom, but got off track and saw Earths beauty, while also accidentally destroying it. That was a week ago. Now, Number 28 is destroying my WONDERFUL Head Dream. Though, I am still going to let him, of course. Hee hee hee! Number 28 thought he had reached his destination, as he thought. Yes, he thought! He's so stupid! He hee hee! I THINK THAT'S VERY FUNNY! "SHHHHH!" Oh, there's that voice from the mirror that's constantly telling me to SHUT UP!!!! Hee hee hee! Come to think of it, I don't know why I'm laughing half of the time. I'm actually quite hurt... hee hee hee! I'M STARTING TO SOUND STUPIIID!

Number 28 is ruining my stupid head movie. I don't want to do this anymore... well, I do suppose I have to finish the story... well, Number 28 took lives... but of the wrong colony... and that was the end.
