

Wonder

We are studying the Novel Wonder. In this novel the theme is choose kindness. The story is about a ten-year-old boy who was born with facial and body deformities. He says if he found a magic lamp he would wish that he had a normal face that no one noticed.

I can't imagine what he would feel like every day going to school. I can only imagine how I would treat him if he came to Anzac Terrace. I would not care about his face. I would be his friend and when anyone hurts or stares at him or laughs at him I would stand up for Auggie. I would always stand up for Auggie and I would always treat Auggie awesomely. I would never exclude Auggie from games. I would want to always sit next to Auggie and work with Auggie. I would always play with him. I would remind him that we are all Wonders in our own way. Auggie would need to have resilience to stay strong to be comfortable at school.

Message is important you can't blend in when you are born to stand out. I am enjoying the book.
