

Jasmines Hover Boards vs Skate Boards

12.5.20

If you're reading this and you think you should get a skate board, you're wrong, absolutely wrong. You should definitely get a hover board, they are absolutely way better than skate boards. Who likes skate boards? I hate them!

Firstly, You'd have to be crazy to think that you shouldn't get a hover board, they hover above ground and can go on any surface. Skate boards are just a piece of wood that breaks easily. Now are you sure you want a skate board?

Secondly, It's obvious that we all know hover boards are better because they move way faster than skate boards. You can even move away from people like if there are bullies and they're chasing you, you could just grab your hover board and get away and I'm sure hover boards are faster than people. Now I think, actually, I know that you want a hover board. Don't you?

Finally, Hover Boards have lights. It might seem dull to you, but I'll tell you how it's not. If you're going for a ride

Jasmineo Hover Board vs Skate Board

22.5.20 On your hover board at night and you can't see anything, you can just turn on your lights and then you can see everything. If you're at home and you're bored there's only one thing to do and that is to have a disco! You can turn down the house lights and put on the hover board lights. It's disco time!

I think now we agree that hover boards are way better than old, wooden skate boards.
