Ordering Options include:

- Quickcliq – Our online ordering system - <https://www.quickcliq.com.au/>
- Cash orders - Change will be given but if you can please try and give the correct amount, it would be very appreciated
- There is Vegan and Gluten free options available so please make sure you select that if you require.
- Recess and Lunch Items will go to your child's classroom where they will be distributed.
- Lunch and recess items are pre order only, no walk ups.

After Lunch Treats:

You have the option to Pre Order these, but your child may come up to the canteen at recess and lunch, to purchase items as well. If this is the option you choose, please speak to your child about what they can and cannot have. Again, using the online ordering system will make this area a lot easier for parents and canteen staff.

Volunteers:

We have had a great response from our school community regarding volunteers. Without volunteers our canteen will struggle to exist.

If you would like to volunteer, please email us so we can set you up with everything you need.

You must hold a "Food Health and Safety" Certificate to be able to volunteer in the canteen. It is free but takes a bit of time to complete. Without this certificate you cannot volunteer in the canteen.

We are so grateful to those who have already completed this.
